

Here at MyClubmoor we want to support our local community in any way we can. Our world is so different at the moment, and we're using the internet for so many things, that it's made us more aware of who is missing out because they can't go online easily. We want to do something about this.

We are offering households that may not have access to the internet a tablet, with data loaded on it – this would be a loan for as long as the family needed this help. It could be used by children for their homework for older people to keep in touch with family or for the family to do their weekly shop for example.

Here at MyClubmoor we are using our social media platforms to replace the activities we would normally be running in our Community Hub before we were all put into lockdown. We also have plans to start virtual coffee mornings and live events through video conferencing – we want all Clubmoor residents to be able to access these and join in.

There will be a simple agreement to sign (just to avoid misunderstandings and to keep everyone safe) and lots of support for those who are need help using the equipment or getting online.

But we need your help to make this a success - if you are aware of any households within your network that live within the Clubmoor ward (unfortunately that's as far as our funding takes us) and who you feel would benefit, please get in touch.

Just to be clear on what we are offering:

A loaned tablet:

- **Option A:** with internet access via a SIM card (if the household does not already have internet broadband/WiFi).
- **Option B:** a tablet without a SIM card because the household already has WiFi access (and only where there is no equipment already present to access the internet already in place)

We are providing tablets for households only and not to individuals and only where there is no equipment already in place to access the internet (this excludes mobile phones that have internet access as we recognise these are not suitable for homework etc).

Unfortunately, we can't guarantee that all requests will be met because, like everyone else, we don't have unlimited funds but if there is more demand than we can cope with we will do our best to find a sponsor to keep this going.

We look forward to hearing from you! **You can reach us on the phone number at the top of this letter** or via email at admin@myclubmoor.org.uk. You can also contact us via our social media platforms **@MyClubmoor**.

Thanks MyClubmoor
