

YEAR 6 SATs RESULTS... WOW!

This week the KS2 SATs results were released and we are absolutely delighted at how well our pupils have done! We are unbelievably proud of their achievements. They are an absolute credit to our school, their teachers and their parents. We understand how challenging being in Year 6 has been for the children this year. The pace at which they have worked has been relentless and today, their hard work, determination and commitment has been rewarded. They really have epitomised our school's core values! They are simply the best!

A Visit to St Aidan's Church - Christian Aid Displaced People

Groups of children from Year 5 and Year 6 were invited to St Aidan's to view a Christian Aid exhibition. The children learnt about displacement - where families are forced to flee from their homes and start again, with nothing, somewhere else in their own country. They do not receive the same support that a refugee in a different country would get. Our children were also challenged to build themselves a shelter using only the resources in the church garden. They did themselves proud. We would like to thank St Aidan's church for the experience - our pupils love going to St Aidan's and we are proud of the relationship we have developed with them!

Year 5 Trip to New Brighton

On Thursday, Year 5 went to New Brighton for their end of year trip. Despite the torrential rain when they left, they were still in high spirits. Luckily, it hadn't rained in New Brighton (otherwise known as the Costa Del Wirral). The children and staff had a fantastic time bowling, which was a first for some of our children and then enjoyed a game of laser quest! Mr Moore was unbeatable! After stopping at the chippy and the sweet shop, the children enjoyed lunch and then went to play on the beach. They came back with a load of sand in their shoes and smiles on their faces. A school trip to remember. What a brilliant day!

Year 3 Trip to the Cheshire Ice-Cream Farm

Earlier this week, Year 3 had a fantastic day at the Cheshire Ice-Cream Farm for their end of year trip. The weather was perfect for delicious ice creams and the children and staff enjoyed a range of wonderful activities as well as the tasty ice-cream. Everyone had a great day full of fun and laughter. One child commented: "I have never seen so many ice-cream flavours. I wanted to try them all."

A Huge Thank You to Liverpool John Moores University

Over the past term, Year 3 and Year 4 pupils have been participating in a drama project delivered by Liverpool John Moores University. The club aims to build self-esteem and confidence through performance and we have noticed a significant improvement in these areas in the pupils who have been enthusiastically attending. This week, they received certificates to thank them for their commitment and hard work. Well done to all of those involved and a big thank you to Mrs Slade - who organised the club! I think we may well have some future Oscar winners on our hands!

In Other News...

Every hour or every day and every week is always action-packed and fun-filled here at Florence Melly. That is what we are all about...creating memorable experiences for our pupils. Check out some of these wonderful activities offered to our pupils this week...
