## HAVE A GREAT EASTER BREAK!

I am writing at the end of a busy and productive spring term for our school which has included so many positive learning experiences and fun events for our children. Every day at Florence Melly we try to provide a wide range of interesting and engaging experiences and opportunities for your children. All of these activities and events are only possible because of the commitment from our staff and pupils and I'd like to thank all of our parents/carers for your support with everything we do. As Headteacher I am very proud of our school community and the opportunities we offer our children to succeed in a happy and vibrant school. We have many exciting events and activities planned for the summer term to help your children learn and develop their confidence and self-esteem. Thank you for your continued support and working together in partnership to help your children. I wish all of our pupils and parents/carers a restful break and enjoyable holiday.

### Early Years Easter Bonnet Parade

Mr Heaton

On Thursday the children in EYFS all took part in an Easter Bonnet Parade. The children all looked fantastic in their Easter bonnets and made us very proud during the parade with their beautiful singing. Thank you for all the effort from parents helping make the Easter Bonnets and for attending the event. The children were extremely proud showing them off.

### Online Safety Workshop for KS2

A huge thank you to Mr Paul Bradshaw from School Improvement Liverpool who delivered an expert online safety workshop to our Year 5 and 6 pupils on Monday afternoon. Developing our online safety strategy is high priority in our school and this is just another example of how we are promoting safe internet usage. Mr Bradshaw also delivered a workshop for parents.

### Cross Country City Championships at Wavertree

Congratulations to all of our cross country runners who made the City Championship Final last week. We are so proud of your achievements and know how hard it is to qualify for these championships. An extra special mention goes to our runner who came 2nd in the race and runner up in the City Championship final. All of our children demonstrated their determination, resilience and motivation which are part of our core values! Well done to all involved!

### Tell us how we are doing on Parent View!

Parent View is an online questionnaire that allows parents and carers to give their views about the school at any time. The questionnaire can be accessed directly from the Parent View site at or from the Ofsted home page. There is also a link on the school website in the 'Parent Zone' and we have recently sent a tweet on our Twitter feed with a link. We would really appreciate it if you could complete the questionnaire.

Every day is always action-packed and fun-filled here at Florence Melly. That is what we are all about...creating memorable experiences for our pupils. To see more exciting activities, please visit our Twitter and Flickr feeds. You can follow us on Twitter at @FloMellyNews. Here are just a few of the things we've been up to this week...
