SAFEGUARDING UPDATE!

Just a reminder to all parents about the importance of not parking on the pavements and zig-zagged lines around school. We pride ourselves on how safe our school is and we want to make sure that this continues to be the case. I'm sure you'll agree, keeping our children safe is the highest priority! Thank you for your cooperation and continues support.

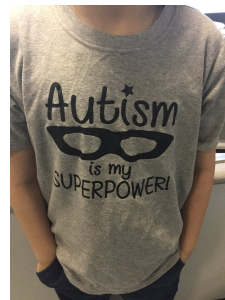

Enrichment Trip to Liverpool John Lennon Airport

On the Friday before Easter some of the Year 3 children went to visit Liverpool John Lennon Airport. The children were taught about the original airport and looked at some of the changes that have been made over the years. They were lucky enough to meet up with some of the EasyJet cabin crew who showed them some of the things they do on a flight. All of the children were brilliant at pointing out where all of the exits were. During a tour of the airport, the children encountered some of the airport police who described some of the ways they keep the airport safe. There was so much packed in to a 2 hour visit!

Autism Awareness Day

Before the Easter holiday our school decided to mark Autism Week by designating a whole day to celebrating autism. The children came into school dressed in purple and blue (the colours of autism) and paid 50p to do so. The money (£126) will be used to create sensory boxes to support our autistic pupils. Also, after the half-term we will be celebrating Neuro Diversity Celebration Week. Keep an eye on the website and Twitter for further details. A huge thank you to Mrs Findell for organising the event.

School Uniform Update

At Florence Melly, we firmly believe that a school uniform helps the children to foster a sense of belonging. It promotes equality and enhances the tone and atmosphere of the school. We would like to take this opportunity to remind parents of the correct school uniform of grey trousers, shorts, grey skirt or pinafore (blue gingham dress in summer term), white polo shirt/shirt and tie, royal blue cardigan or sweatshirt, black shoes. **Can we please remind all parents that black shoes (not open toed sandals – that can be a potential trip hazard or trainers) should be worn by all children. Care should be taken to ensure the shoes support your child's feet and enables them to safely walk, play and run outside. Boots are not to be worn.**

Stations of the Cross at St Aidan's Church

Before half-term, Year 4 and Class 3S were invited to St Aidan's Church by Reverend Jean Flood to learn about the Stations of the Cross and the Easter story. The children all participated and many became characters from the story; dressing up and acting out scenes. The children got a real sense of the meaning of Easter, in a fun and practical way. Afterwards, they all got to make and take home a special mini package; which included symbols from the story. In all, it was a lovely way to spend a morning and we are very much looking forward to returning next year.
