

Friday 3rd May

FLORENCE MELLY COMMUNITY PRIMARY SCHOOL WEEKLY NEWSLETTER

Keeping you up to date what's going on!

www.florencemelly.org

At our school we firmly believe that to make the most of the internet, children need to make smart decisions when online and on Tuesday, Year 3 and Year 4 became 'Internet Legends' with the help of Google! The 'Be Internet Legends' programme developed by Google, helped empower our children to use the internet safely and wisely and to be confident explorers of the online world. The school was awarded a Legendary certificate for their participation. A fantastic time was had by all and this was just another example of how we embed important safeguarding messages into our curriculum. Keeping our children safe is our number one priority! See our Flickr for more photos.

Working in partnership with the Local Community

On Monday, some of our Year 5 children went to the Fire Fit Hub in Toxteth to take part in some games and activities provided by the Torus Foundation. The children spent time tackling a whole host of fabulous science activities. After a delicious lunch, the children completed an obstacle course, earning themselves a medal and each of them were given a backpack full of goodies. It really was a fantastic day!

Reception Visit Croxteth Park Farm

Reception have been learning all about life cycles this term and earlier this week they enjoyed a trip to Croxteth Park Farm. They got to meet many of the farm's new arrivals; lambs, pygmy goats, rabbits, ducklings and chicks. They also had a brilliant birds of prey display where they learnt many different facts about the magnificent animals and even got the chance to hold an owl. The children also enjoyed; brushing the horses, feeding the cows and even playing with the meerkats and feeding them locusts!

Our Very First Whole-School DOJO DAY!

What a fabulous day we all had on Friday, as the whole-school came together to celebrate our very first Dojo Day! The children came off curriculum to celebrate our school core values and they were rewarded for their attendance, hard work and commitment! Please see our Twitter and Flickr feeds for more photographs of the day and the day will feature in next week's edition.

Enrichment Trip to the Shankly Hotel

Earlier this week, we took a group of pupils to the Shankly Hotel to look at developments in the hotel industry. We want our pupils to meet people doing a wide range of jobs and to learn about future developments that are taking place in our great city. Lawrence Kenwright (the owner) and Roger Jonas (executive) spent time with our pupils sharing their plans to develop over a thousand new jobs in the next few years. Over afternoon tea they talked about the adaptive and creative skills and opportunities they think will be important in the future.
