WHOLE-SCHOOL DOJO DAY

Earlier this half-term we held our very first whole-school Dojo Day and what a fabulous day it proved to be. The children came off curriculum to celebrate our school core values and they were rewarded for their attendance, hard work and commitment! Children were whisked off on special trips and VIP lunches. They enjoyed a Dojo disco, VIP prizes and earned a phenomenal amount of extra Dojos! It was truly spectacular. Please see our Flickr feed for lots more photographs capturing just how great the day was!

Our very own Team GB Gymnast!

We are so proud of all of our pupils and their achievements but one child in particular has wowed us all this week. Later in the summer term, one of our pupils will be representing Team Great Britain Gymnastics in Austria. Yesterday, she came into school in her Team GB uniform, proud as punch and rightly so! Well done!

Well done to our Fabulous Year 6 Pupils (and Staff)

Wow! What a tiring week we have had in Year 6. This week, the children have completed their SATs exams and they have well and truly worked their socks off. We all know Year 6 is a hard year but the children accepted the challenge and have exceeded our expectations. The motivation and determination that every individual has shown this week has blown us away. The children's attitude towards this stressful week has demonstrated their developing maturity, showing they are confident and independent learners. The children should be proud of their achievements and we couldn't have asked for anymore. A special thank you must also go to our dedicated Year 6 staff who have worked tirelessly to prepare our pupils for the tests and support them throughout the week. What better way to celebrate than an ice-cream in the sunshine! Well done to everyone involved.

The RSPB Visit Flo Melly

On Wednesday, Karen from the RSPB came to visit year three to discuss animal habitats. The sessions started in the classroom with a short slideshow. The children were shown pictures of different animal habitats and discussed the different features. There was also a discussion about endangered animals in our local area. The children then went outside and worked in small groups, identifying the features of the school grounds, different trees and plants - potential animal habitats. The children took a vote to see what they would like to see in our school. The majority of the children wanted to see an insect hotel.

Rugby Taster Sessions with St Helen's RFC

Our pupils were treated to specialist rugby league sessions this week with Community Saints, the charitable trust of St Helens RFC. Mrs Dentith, our PE Lead, has worked hard this year to raise the profile of PE and sport and broaden the experiences of our pupils, giving the a range of new sports and activities to try. The children absolutely loved the activities and rugby is clearly a sport we will be adding to our curriculum in the future (Mr Leach will be happy).

Don't forget that the children finish for the half-term holiday at 3:15pm on Friday 24th May. They return on Monday 3rd June at 8:55am. Have a great break!
