OLD BIG EARS VISITS FLO MELLY!

On Thursday, the famous 'Big Ears' trophy came to our school as part of the LFC Foundation's assembly on dedication and hard work. David and Eddie from the Foundation spoke to all the pupils about the importance of being ambitious, aiming high and believing in our school values - 'if you can dream it, you can do it.' They discussed how these values translated across all aspects of life and the role they had played in Liverpool's recent success. After the assembly the cup went on a parade of its own, and whilst the crowds didn't quite match the recent gathering across the city, there were a lot of exciting faces that greeted it on its journey from Nursery to Year 6! Thank you LFC Foundation!

Chester Dewa Roman Experience - Bringing History Alive!

What a fabulous day year 4 had last week when they visited Chester last Friday as part of their History topic on the Romans. It was a real hands on experience, from pounding the cobbled streets of Dewa A.K.A. Chester, while chanting in Latin, to cheering on a duel in the ruins of a Colosseum and becoming archaeologists, discovering buried objects. They touched a 2,000 year old wall and got to experience smells from Roman times, as well as games and past times. The dressing up went down a storm too.

Netball Competition at Anfield Sports Centre

A group of Year 5 and 6 girls took part in a Netball tournament at Anfield Sports Centre this week, as part of our push in providing high quality, varied sports to our pupils. The girls, many of whom were playing competitive netball for the first time, performed admirably and showed dedication and a great team effort. They all came home as medal winners and had a fabulous time! Our next tournament is a rounders tournament and we're already looking forward to that! Who doesn't love rounders?

World Day for Cultural Diversity

As part of our World Day for Cultural Diversity celebrations, we invited a specialist into school to deliver expert gamelan workshops for our pupils. Gamelan music originates from Indonesia, where it is used as part of religious ceremonies and communication. What a unique and wonderful way to celebrate World Day for Cultural Diversity.

Library Fundraising Event

A huge thank you to Mrs Matthews (our Vice Chair of Governors) for organising the library fundraising event. We smashed the £1000 target to be match funded by HSBC! The event demonstrated that when we ask our pupils and parents to support our school they are incredibly supportive and generous.

In Other News...

What an action-packed and fun-filled week we have enjoyed at Florence Melly. Please head over to our Twitter feed which really shows off the wonderful range of events, activities and learning opportunities we provide for our children. Here's a little taster...
