ATTENDANCE MATTERS AT FLO MELLY!

At Florence Melly, we aim to ensure that all children receive the best education possible in order for them to realise their full potential. To do this, children must be in school as often as physically possible - just like these pupils from 4D! In the spring term, they demonstrated phenomenal determination and motivation (two of our core values) to win four gold and one bronze attendance awards in a half-term! Unbelievable! To show our appreciation, we provided an extra special school trip for them on Friday. The children were treated to the cinema to watch the new Toy Story 4 film, followed by lunch at McDonald's and then a visit to Spring City! What a great way to celebrate such a marvellous achievement! Well done 4D!

Enrichment Trip to the Anglican Cathedral to see Gaia!

On Thursday some of our Year 3 children went on an enrichment trip to the Anglican Cathedral. As well as being a huge historical Liverpool landmark, there was another reason for the visit - the art installation, Gaia. Gaia means 'personification of the earth' and it certainly was! It hangs overhead, a 7 metre replica of the earth. The features have been reproduced from detailed NASA imagery of the Earth's surface. The children had great fun identifying continents and countries. It was such an impressive sight and well worth a visit.

Leap into Dance Competition...WINNERS!

A huge congratulations to our talented Year 5 and Year 6 pupils who participated in a schools Dance Competition run by @Leapclasses earlier this week. Our children did wonderfully well, winning individual awards and the overall competition. A big thank you to Miss Waters for training the children. Well done!

Rounders Competition at Anfield Sports Centre

Earlier this week our pupils represented the school in a good old-fashioned game of rounders. The children should be really proud of themselves and the way they participated - showing a steely determination to win.

In Other News...

What an action-packed and fun-filled week we have enjoyed this week at Florence Melly. That's what we are all about here at our school...providing unforgettable learning experiences for our children! Here's a little taster of what we have been up to this week! Please head over to our Twitter and Flickr feeds for further information!
