

CELEBRATING THE LIFE OF MISS ROBINSON!

On Tuesday, our school remembered Miss Robinson in a way she would have loved....a whole day packed full of fun and laughter! Miss Robinson's family were guests of the school for a wonderful assembly, which included a variety of musical performances and they witnessed the official opening of the event supported by members of PATCH. Over the course of the day, the children (and staff) were treated to time on inflatables, introduced to an array of exotic animals, had their faces and nails painted, received delicious ice creams and took part in a 'beat the goalie' competition. The magnificent day was a resounding success, and allowed everyone to reflect on their memories of Miss Robinson. Some videos of the children's performances can be found on our Twitter page. We would like to thank staff and PATCH for organising the event. A special thank you also to Miss Robinson's family for visiting the school.

Year 3 Athletics at the LFC Foundation

Some of Year 3's budding athletes went over to Anfield Sports Centre earlier this week to take part in an inter-school competition under the watchful guidance of the LFC Foundation. The children took part in a variety of activities and really embodied the school's core values as they showed determination and resilience throughout their participation. They all had a great morning and we are very thankful for the continued support of Liverpool Football Club.

Continuing the PE and Sport Theme...

Just a quick reminder that next week, Year 3, 4 & 5 children need to bring their PE kits into school on Monday for an extra PE lesson. Can Year 1 & 2 children please do the same on Thursday. Thank you. Also a huge congratulations to everyone who represented our school in the district athletics competition last week and the children who made the city finals on Monday. We are so proud of you all for embodying our whole-school core values! Well done!

PATCH Summer Fair - Bringing the whole community together!

What a fabulous time everyone had on Saturday as PATCH hosted the school's first Summer Fair - and what a success it proved to be. So much so that we have already started organising a Christmas event. PATCH raised over £1,500 which will be spent on the children of our school. Thank you to the parents who tweeted their photographs.
