Provider

## THE BIG SOUP SHARE

What a fabulous day we all had on Tuesday celebrating the Royal Horticultural Society's School Gardening 'Big Soup Share'. A special thank you to Miss Jen (our allotment superhero) and Miss Michaela (form Apple of my Eye - our Cookery partner) for hosting the event. Pupils ion Year 3 and Year 4 harvested their homegrown vegetables and turned them into delicious soup which they enjoyed with their parents. The event was a real success and will help us on our quest to achieve the RHS Level 5 School Gardening Award where we have to share our garden with others in our local community through open days, sales and events. What a memorable learning experience it was!

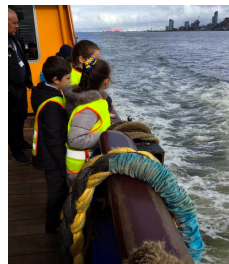

### Our Extra-Curricular Fencing Club is Proving a Real Hit!

At Florence Melly Community Primary School, we believe that physical education and sport play a crucial role in improving our pupils' physical wellbeing and lifestyles. We are committed to making additional and sustained improvements to the quality of PE and sport in our school and want to develop and add to the PE and sport activities that we already offer. That's why this academic year, we have organised a superb fencing club. Check out our Twitter feed for more photos and videos of the children enjoying this unique activity!

### Our Year 6 Transition Trip with Merseytravel

On Wednesday some of our Year 6 children spent the day out and about in our vibrant city using different types public transport. The day was arranged to support the group's transition to secondary school next year. The children started their outing at the Merseytravel Hub in Queen's Square, then took the bus to James Street station. After that, it was the train to Hamilton Square in Birkenhead which was followed by the U Boat story where the children got to see into the cross-sectioned of a U-boat submarine and discover its amazing story through a highly interactive and exciting exhibition. The children then enjoyed the Ferry 'cross the Mersey'. For some of the children it was their first time on the river, luckily the weather was great and the water was calm. The afternoon was spent having a tour of the Queensway tunnel. The children learnt some of the history of the tunnel and also had a good look around underneath and were even allowed on the road deck!

### Our Superstar Cross-County Athletes

A huge congratulations to our fabulous cross-country team who competed at Newsham Park earlier this week, in the first cross-county meet of the year. The children did amazingly well and we are so proud of their achievements. We really do have a great team this year !

### In Other News...

Our children have enjoyed yet another exciting week, packed full of memorable learning experiences. For example, our Year 6 pupils have been thinking of inspiring acts of kindness through the @iwill\_campaign with the staff of LFC Foundation. The whole school also enjoyed an 'introduction to judo' assembly in preparation for an exciting up and coming after school club and some classes continued to explore coding in computing, carrying on from the work they did for National Coding Week last week. Head over to our Twitter feed for more details and photos.

### IMPORTANT UPDATE!

On Thursday 3rd October, Year 4 will be holding a special harvest assembly for their parents. Each and every year we are overwhelmed by the generosity of our parents and families during our harvest food collection. Lets see if we can make this year's event the best and most successful ever! The assembly is for Year 4 parents only and starts at 9:30am.

Please follow  
us on Twitter!

Our feed is where we celebrate the wonderful learning opportunities we provide for our pupils everyday!
