Provider

BRINGING OUR SMSC CURRICULUM ALIVE!

WOW, what an amazing week we've all had this week at our outstanding school! At Florence Melly, we pride ourselves on the vibrancy of our curriculum. We want to equip our children with not only the minimum statutory requirements of the National Curriculum but to prepare them for the opportunities, responsibilities and experiences of later life. We do this by offering memorable, unforgettable experiences. This week for instance we brought black history month alive in a variety of ways - cookery for example! Our Year 5 children worked in partnership with our cookery provider Apple of My Eye to create chilli cheese cornbread. It was absolutely delicious! Year 4 have also explored the black history theme but through art and design. They have been inspired by American artist Chuck Close and created beautiful pieces of art based around inspirational people.

SAFEGUARDING UPDATE - TikTok Parent Guide

Attention all parents and carers! Keeping our children safe is our number one priority at our school and as part of our commitment to safeguarding our pupils, we would like to direct you to an informative parent guide about TikTok - an app that many of our children are accessing to upload, watch and create short videos. A link to the guide has been posted on our website and our Twitter feed. Please check it out. Should you require any further information, please see Mr Leach (our Designated Safeguarding Lead).

At Florence Melly, we are Musicians!

What a special treat some of our staff experienced on Thursday night as our newly formed choir belted out a few hits during their extra-curricular club. They were truly spectacular. Check out our Twitter feed where we have posted a few short video clips of them singing. A huge thank you to Mr Hawley, our music teacher, who helps make this happen. Mr Walsh (our Music Lead) is really putting the subject on the map at our school!

Dont forget - the children can come into school on Tuesday dressed up for Dia de los Muertos! The scarier the better! We look forward to seeing the costumes!

Listening to our School Counsellors

Earlier this week, Chartwells UK (our school dinner providers) spent time with our school council members discussing our school dinners. This was part of a national survey and our children were very forthcoming with their views. Mr Leach also met with them to discuss the arrangements at playtime and lunchtime and he has tasked them with creating a new set of playground rules, games and rewards - all very exciting indeed!

Year 6 receive their Blazers!

What better way to show off than to waltz around school in a fabulous blazer! That's how we reward our Year 6 pupils! They are the role models that all other children look up to and as of today, they will look even smarter! On Friday our pupils donned their new uniform item for the very first time - look at how smart they looked.

Look at what else we've been up to this week! Head over to our Twitter and Flickr feeds for more details. Enjoy...
