To all Florence Melly Parents and Carers.

After four years and eight months as Headteacher of Florence Melly Community Primary School I am now starting my retirement. I consider myself very fortunate and privileged to have been your Headteacher and I would like to thank you all for the support you have given to me and the school throughout my time here.

I take great pride in having attended the school as a child from 1960 to 1967 and returned to the school as the Headteacher from 2015 to 2020. It has been a great pleasure to have worked in and served our school community. The school is very dear to my heart and I leave with a great many memories of our pupils, staff, parents and governors. I will miss the smiles, joy and inspiration of our amazing children and I want to say a huge thank you to them. Our pupils are a credit to you all and in my opinion are the best in the world. It is really sad that I can't say goodbye to them in person as our school is currently closed but I'm hoping to call in to school when the children all return so I can see them all and thank them for being such fantastic pupils. I also want to send our Year 6 pupils my very best wishes for when they start their new schools. I am very proud of the behaviour, achievements and talents of our amazing children.

I'm happy that our school is in a very strong position and that with our wonderful dedicated staff team we were able to achieve an Ofsted judgement of Outstanding.

I wish all of the Florence Melly family of pupils, parents, carers, staff and governors all the very best for the future. Florence Melly is a magical, happy and safe school and I thank you all for making it such an amazing place that I will never forget.

Take care and stay safe through these challenging times.

Ken Heaton
