## Are you a Critical/Key Worker? If you are, please let us know!

Dear parents/carers,

I hope that this letter reaches you all safe and well. I want to take this opportunity to provide you with a little update about the possible re-opening of our school. No doubt you will have heard on the news about the government’s plans to reopen schools and Liverpool City Council’s position towards the proposed plans. In the coming days, I will write to all parents outlining how the safe, city-wide approach to returning to school will look. I will also inform you how it will affect different year groups, how we will manage the associated risks and how we plan to ensure that our school is a safe space for your children. The safety of them and our staff is of the utmost importance - I am unwavering in this stance.

At this moment in time, we are at a pivotal point - trying to navigate a safe return for our pupils. We are working hard behind the scenes and we really need your help in identifying those of you who are critical/key workers. I am asking, if you are a critical/key worker, to contact me directly via email as soon as possible to let me know. It is children of critical/key worker parents who will be eligible to return to school first. My email address is: [a.leach@fmp.liverpool.sch.uk](mailto:a.leach@fmp.liverpool.sch.uk).

For further guidance about key workers, please visit: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>.

As always, I would like to thank you all for your continued support and patience. I for one, cannot wait to go back to school - but only when it is safe for us all to do so!

Take care and stay safe.

Mr Leach  
Acting Headteacher
