DAILY MATHS ACTIVITIES

Maths Challenge

Starter- Count to 20 Song

Your challenge today is to make your own number cards to 20. Practise recognising your numbers 0-20. Mix them all up and then see if you can order them correctly. Start with 0-10 and then try from 10 onwards. Have a go at some number challenges, you could try;

- finding the missing numbers
- finding one more or one less
- you could even try counting backwards

Tomorrow we will be starting our new topic 'Capacity'. Collect together some bottles and containers for tomorrow's lesson.

THE WIDER CURRICULUM

Understanding the World

This week is the Big Garden Watch! What birds and animals will you spot? You could take a walk or you could find a good spot to watch from your window. Use our garden [birds checklist](#) to see what birds you can see! Have a little think about what food birds eat in Winter and where do they sleep? Explore how birds look and sound different and why they are so important for our environment.

LOOKING AFTER YOURSELF!

Physical Development

Have a go at the [cosmic kids yoga](#) and meditation to take some time to relax after a busy day completing your remote learning challenges.

GET CREATIVE!

Would you like to make your own playdough at home?
[Take a look here.](#)
[Watch](#) how Mrs Harwood makes it. Once you have made your playdough, have a go at [dough disco](#) each morning to get your fingers ready to write!

RHYME TIME!

Rhyme of the Week

[Row, row, row your boat](#)
Have a go at listening to and learning the rhyme then why not have a go at performing it? Maybe a family member could help you?

UP FOR THE CHALLENGE?

Your challenge this week is to be independent and have a go at making your own bed when you get up each morning.

Why don't you listen to the ['Make the Bed'](#) song to see how to do it.
