DAILY MATHS ACTIVITIES

Maths Capacity Challenge

This week, we have been learning all about capacity and we have been using our new capacity language; empty, nearly empty, half full, nearly full and full.

Today your challenge is to role play a café or picnic with a variety of cups/ jugs and water. You are going to become the waiters for your adults, getting their drinks. Play alongside the children as customers to model the language of nearly full, half full, nearly empty etc. when ordering your drinks to consolidate their understanding.

THE WIDER CURRICULUM

Philosophy for Children (P4C)

Today's P4C lesson is all about seasons. We have been learning about winter this term and all of the great things that we can do in winter- including going on our winter walks. But is winter better than summer?

[Watch this video.](#)

Now decide what do you think? Do you like summer or do you prefer winter? Send us your answer and reasoning.

LOOKING AFTER YOURSELF!

Physical Development

Have a go at the [cosmic kids yoga](#) and meditation to take some time to relax after a busy day completing your remote learning challenges.

GET CREATIVE!

Would you like to make your own playdough at home?

[Take a look here.](#)

[Watch](#) how Mrs Harwood makes it. Once you have made your playdough, have a go at [dough disco](#) each morning to get your fingers ready to write!

RHYME TIME!

Rhyme of the Week

[Row, row, row your boat](#)

Have a go at listening to and learning the rhyme then why not have a go at performing it? Maybe a family member could help you?

UP FOR THE CHALLENGE?

Your challenge is to create a rainbow words poster for somewhere in your house and to see how many rainbow words you can use in a sentence today.
