THE WIDER CURRICULUM

Geography

- Using Google maps can you find where you live/go to school/shop? Refer to the bird's eye view.
- Then use street view to see these buildings. The children love to do this in school.
- Then slowly zoom out to see where you are in relation to the UK.

Challenge: Write a sentence or record a video telling me the city and country we live in and what the difference is.

LOOKING AFTER YOURSELF!

Random act of kindness!

Doing things for others makes me feel good inside. This week I want us to form a chain of random acts of kindness. [Click here](#) to hear your challenge

[Here are some examples!](#)

GET CREATIVE!

Map

Create a simple map of the UK. You can collage, paint, draw etc.

On your map can you label the 4 countries in the UK?

SPELLINGS AND TABLES

Like week I would like you to focus on these tricky words. They appear in our books a lot!

- come
- said
- here
- look

UP FOR THE CHALLENGE?

In Year 1 it is super important that we become more independent at certain tasks such as tying our own shoes and zipping up our coats.

This week I want you to practice each day and send me a video if you can do it!
