EYFS REMOTE EDUCATION ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

Nursery's Daily Remote Learning

Monday 25th January 2021

DAILY LITERACY ACTIVITIES

Look what has appeared in our nursery!
What has happened? Why has it happened? Who has been to our nursery? How did the objects get here?

Challenge

Can you draw/make marks on paper about what you think has happened? Can you guess what the story will be? Can you give a reason for your answer?

DAILY MATHS ACTIVITIES

[Click here](#) Counting with beans [click here](#)

Use any type of beans to count with! Make groups of up **to 5 beans**. You can place the beans in a **line** to help your counting easier. Check **how many** beans you have **altogether** in your line.

Ask an adult to make number cards from 1 to 5. Can you place/match the number card to the

correct number of beans?

Challenge

- Can you make lines of up to 10 beans?
- Can you match the number card (up to 10) to it's line of beans?
- Can you write any of the numbers?
- Can you draw/paint beans on paper and write how many beans you have altogether?

THE WIDER CURRICULUM

Messy Monday

Have fun painting your feet and making footprints on paper. Make a **random** 'foot' pattern. You can either use a brush to paint your feet or place them into a tray of paint. Perhaps your adult could paint your feet and you could paint your adults!

Challenge

Can you make a **repeating pattern** with footprints? You can make your repeating pattern by the colour of the foot i.e. red/blue/red/blue or by the size of the foot. i.e. adult's footprint, your footprint, adults footprint, your footprints.

UP FOR THE CHALLENGE?

Bean detectives at work!

How many different types of beans can you find? You can have a look on the internet, around your home or even at the supermarket!

Can you draw the beans? What are their names? Are they the same colour, size or shape? Do they taste the same? Do you like their taste?
