Enjoy re-reading the story with your adult and join in repeated phrases. Can you join in with the retelling of the story? What characters are in the story? Draw the characters from the story.

Challenge

Can you make the sound of a hen clucking using your voice? [Click here](#)

Can you use your feet to make a stomping giant sound? Can you rub your hands together to make a rustling sound made by the leaves on the beanstalk?

### DAILY MATHS ACTIVITIES

Counting jumps!

Can you jump like Jack jumping off the beanstalk? Can you count a total of up to 5 big jumps? Can you jump a total of up to 10 big jumps?

Ask your adult to make number cards up to 5/10. Place the number cards 'face downwards' on the floor. Next, pick up a number card and jump the amount of jumps to match the number shown on the card.

Challenge

Can you place the number cards in order from 1 to 5? Can you try ordering from 1 to 10? Can you record/make marks to represent any of the numerals?

### THE WIDER CURRICULUM

Enjoy making scrambled egg with your adult by following the recipe below. Remember to wash your hand first. Sing the 'Happy Birthday song!'

**You will need:**  
2 eggs  
Butter  
Pan  
spoon  
Milk

**Method:** First, grease a pan with butter. Next, crack an egg into the pan.

Finally, add a splash of milk to your egg and mix until the egg and milk join together and become fluffy. Wait to cool, then enjoy on top of toast!

Challenge- Record how you made your scrambled egg

### LOOKING AFTER YOURSELF!

Eat healthily

Enjoy eating baked beans with your meals or even have some on toast. They give you lots of energy and make you strong like a superhero!

### UP FOR THE CHALLENGE?

Bean detectives at work!

How many different types of beans can you find? You can have a look on the internet, around your home or even at the supermarket!

Can you draw the beans? What are their names? Are they the same colour, size or shape? Do they taste the same? Do you like their taste?
