This week we are reading the story, 'Jack and the Beanstalk.' Did you guess the story correctly?

Enjoy listening to the story.

Challenge

As you listen to the story, look at the illustrations to help you predict what you think will happen on the next page.

DAILY MATHS ACTIVITIES

Counting with leaves [click here](#)

Collect leaves and use them to count with! Make groups of up to **5 leaves**. You can place the leaves in **a line** to help your counting easier. Check **how many** leaves you have **altogether** in your line.

Ask an adult to make number cards from 1 to 5.
Can you place/match the number card to the correct number of leaves?

Challenge

Can you make lines of up to 10 leaves?
Can you match the number card (up to 10) to its line of leaves?
Can you write any of the numbers?
Can you draw/paint leaves on paper and write how many leaves you have altogether?

THE WIDER CURRICULUM

Talking Tuesday

You wake up one morning and open your curtains, there in front of your very eyes is a beanstalk! You begin to climb up it... What do you think you will see?

Challenge

Why do you think you will see...?
How do you think... got there?

LOOKING AFTER YOURSELF!

Eat healthily

Enjoy eating baked beans with your meals or even have some on toast. They give you lots of energy and make you strong like a superhero!

UP FOR THE CHALLENGE?

Bean detectives at work!

How many different types of beans can you find? You can have a look on the internet, around your home or even at the supermarket!

Can you draw the beans? What are their names? Are they the same colour, size or shape? Do they taste the same? Do you like their taste?
