Enjoy learning a new phoneme Aa.

Eat an **apple** as you read a story of your choice. What phoneme does the word 'apple' begin with? Look and see if you can find the phoneme in your book that you are reading.

Can you find objects around your homes that begin with the phoneme Aa?

Can you record what the objects are by making marks or writing them?

Holocaust Memorial Day

Ask your adult to light a candle. (Safety- Remember not to touch a burning candle.) Talk about how we are all special, we all have our own thoughts and ideas and how it is very important to always be kind to others.

LOOKING AFTER YOURSELF!

Eat healthily

Enjoy eating baked beans with your meals or even have some on toast. They give you lots of energy and make you strong like a superhero!

UP FOR THE CHALLENGE?

Bean detectives at work!

How many different types of beans can you find? You can have a look on the internet, around your home or even at the supermarket!

Can you draw the beans? What are their names? Are they the same colour, size or shape? Do they taste the same? Do you like their taste?
