DAILY LITERACY ACTIVITIES

Our gingerbread men have still not returned!

They were last seen sneaking through Miss Latta's house! [Click here for video.](#)
Today we need you to be news reporters to help find our missing gingerbread men!
Think about what information you want to include in your news report.
Where did the gingerbread men escape from?
Where were they last seen?
How many are there?
What do they look like?
Have a look at Mrs Harwood's news report to help you.

DAILY MATHS ACTIVITIES

For today's challenge we would like you to find objects that are LIGHTER than an apple (or something similar) Can you use our maths vocabulary; light, lighter than, lightest.

We would love to see what items you find in your house that are lighter than an apple. Can you send us a video showing us what items you found using our maths vocabulary?

For example- 'A pencil is lighter than an apple'
'I have an apple and a feather. The feather is the lightest.'

THE WIDER CURRICULUM

While on her winter walk Miss Latta discovered some ice! It was that cold outside a puddle had frozen over!

For today's challenge we are going to make our own ice!

By using water which is a liquid we can turn it into ice which is a solid.

Do you have any ideas how we can make ice?

Don't forget to send us your pictures 😊

LOOKING AFTER YOURSELF!

Enjoy some family time you might want to play a game, have a snuggle in your den or enjoy a movie eating your delicious cakes!

GET CREATIVE!

Bake your own fairy cake!

In reception we love baking, measuring out our ingredients, discussing the instructions and the change process.

[Click here for a simple fairy cake recipe.](#)

RHYME TIME!

Rhyme of the Week

[Click here for our rhyme of the week 'Pat a cake.'](#)

Can you sing our rhyme of the week while making your own cake!

UP FOR THE CHALLENGE?

Make a den in your home using fabric, cushions and other furniture.

Read a story to someone who lives in your house.

We are looking forward to seeing your fantastic dens!
