

# FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

## REMOTE LEARNING ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

**Year Group: 1**

**Monday 1st February 2021**

**Our whole-school theme this week is: Children's Mental Health Week**

### DAILY ENGLISH ACTIVITIES

**English:** Have a look at [this](#) mysterious presentation. Can you predict what is going to happen?

**Phonics:** Step on in to Miss Hibbert's living room, put your feet up and have a cuppa. You're more than welcome to stay for a little while! Open the [door](#) and come on in!

### DAILY MATHS ACTIVITIES

Today we are going to be learning how to count in 10s! Click [here](#) for some help off the cool cat Jack Hartman.

Afterwards, collect a large amount of objects. This could be coins, buttons, etc (ideally 50 items) and ask your child to count them. Stop them when they look like they're overwhelmed by how many items there are and model counting in tens.

### THE WIDER CURRICULUM

**Science:** this week we are going to be classifying (sorting) objects into groups based upon their properties. Click [here](#) to view today's lesson. Please post a photograph of your sorting into the Portfolio section of Class Dojo. Last week, 1H classified our resources. It was a sneaky idea of Miss Hibbert's to get the children to tidy up after themselves properly!

### LOOKING AFTER YOURSELF!

This week is Children's Mental Health Week. Click [here](#) to find out some vital information off our Mental Health genius Mr Doyle.

Afterwards, have a look at [this](#) inspiring idea.

### GET CREATIVE!

Miss Hibbert is planning on walking everywhere this week because walking makes her feel good. Click [here](#) to find out what she is going to listen to whilst walking. What will you choose to do whilst listening to the song?

### SPELLINGS AND TABLES

Log in to Lexia, Mathletics and Times Tables Rockstars. Mr Squawky is getting better with his reading, writing and times tables, he wants me to pass on his message of 'practise makes perfect'.....

### UP FOR THE CHALLENGE?

It is now February, which is the 2nd month of the year. Can you name all of the months of the year? Do you know what month of the year you were born in? Share a video of yourself doing this.
