### THE WIDER CURRICULUM

#### **Languages of Liverpool**

At Florence Melly we celebrate the rich diverse multi-cultural city that we love and call home.

Our children astound us with their rich heritage and how many of them are multilingual. Miss Hibbert wants to make a display to celebrate the many corners of the world that all of you originate from. For this reason, would you answer [Miss Hibbert's quiz](#) in order for her to gather information to celebrate our diverse, rich multi-cultural year group?

### LOOKING AFTER YOURSELF!

**Safer Internet Matters!** Click [here](#) to watch a video made specifically for children aged 5-7 years old, it is made by the organisation [CEOPS](#).

[Here](#) is some information for parents about privacy and security on the internet.

### GET CREATIVE!

Can you draw a picture of your fantasy story setting? Or maybe even draw a picture of a rainbow to display in a window with the message of stay home to keep safe, the children in school have done this!

Can you make your own sound mat? Use [these](#) to help you.

### SPELLINGS AND TABLES

Login to: [Lexia](#) to help with your spellings, [Mathletics](#), [My Maths](#) and [Times Tables Rock Stars](#) to complete tasks set by your teacher. ### UP FOR THE CHALLENGE?
