#### Ask yourself...

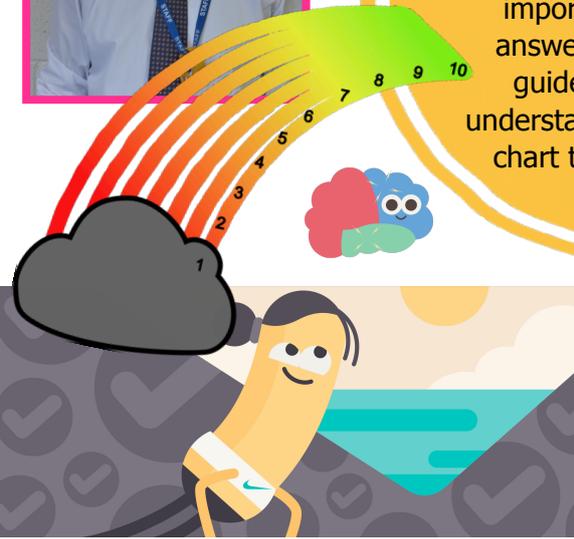

Where am I on the rainbow today? Why not try and ask somebody else where they are on the rainbow. It is really important to listen to their answer! Using our rainbow guide you can help them understand how to move up the chart towards better mental health!

Children's Mental Health Week is taking place between 1-7 February 2021. That's this week! Yippee!

This year's theme is: **Express Yourself.** They have an action-packed and fun-filled schedule for you all to enjoy and some amazing, free resources! And the best part...we are getting involved! For more details, check out their fab website:

#### In this week's edition, we will be focussing on...EXERCISE!

It has been said that regular exercise plays a big part in your Mental Health and Well-Being. It can improve issues like stress and can lead to an increase in confidence and self-esteem, plus reduce anxiety. So get up and get moving but don't forget to start off slow!
