THE WIDER CURRICULUM

Exploring floating and sinking

[Click here](#)

First, with help from your adult, collect objects from around your home then fill a washing up bowl/the bath with warm water.

Place an object into the water, one at a time and see what happens.

What can you see? Why do you think this is happening?

Talk about the words '**floating**' and '**sinking**.' Learn that '**sinking**' is when an object goes/sinks to the bottom of the bowl/bath and '**floating**' is when an object floats on the top of the water.

Challenge

Can you make a boat that will float on water?

LOOKING AFTER YOURSELF!

It's Movie night!

Spend quality time with your family, by enjoying a movie night together. Treat yourself to goodies i.e. popcorn, sweets, chocolate or ice cream! Get cozy as you watch your movie by covering yourself in a blanket or by cuddling up to your teddy.

GET CREATIVE!

Paint with string!

Place red, blue and yellow paint in to bowls. Cut string in to different lengths and dip the string in to the bowls of paint. Next, create marks on paper using the painted string.

Look at how the colours change when they are mixed together.

Make orange- mix red and yellow.

Make purple- mix red and blue

Make green- mix blue and yellow

RHYME TIME!

Rhyme of the Week [click here](#)

Enjoy learning a new rhyme, 'Polly put the kettle on.'

[Click here](#)

Challenge

Can you change the words in the rhyme?

i.e. Polly put the

tv/football/toaster on...

Lucie/Alfie take it off again...

UP FOR THE CHALLENGE?

A lovely neat and tidy bed!

With help from your adult, learn how to make your own bed.
