

FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

REMOTE LEARNING ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

Year Group: 1

Date: Tuesday 2nd February 2021

Our whole-school theme for this week is: Children's Mental Health

DAILY ENGLISH ACTIVITIES

English: How are your retrieval skills? Can you answer the questions in our [quiz](#) about [The Way Home](#) by Oliver Jeffers to test your comprehension knowledge? Adults can help reading each question and choice of answers, or can you do it yourself? Challenge yourself by having a go of [this](#) task too, Florence Melly children are resilient. Show your adults what you're made of!

Phonics: Now that we've reached the end of Phase 3, the time has come to test our knowledge on what we've learned so far. Click [here](#) to meet Mr Leach's favourite puppet!

DAILY MATHS ACTIVITIES

Counting in 10s: All of the Year One team were absolutely flabbergasted by your clever counting in 10s skills yesterday! Have a look at today's [lesson](#) then have a try of answering the counting in 10s [questions](#), maybe [this](#) one is more suitable for you?

Challenge yourself!

Show off your amazing Maths skills by completing [this](#) challenge, if you're really feeling like a world-class Mathlete you could even have a go of [this](#) one too!

THE WIDER CURRICULUM

Art: What do you and the adults in your home remember about our prior learning about the artist Vincent Van Gogh? Watch [this](#) to learn more about him. After watching the informative fun video, are you inspired to sketch your own masterpiece of the great outdoors? This could be from the comfort of observing from a window or sat outside, if you're brave enough! Use whatever you can lay your hands on to create your masterpiece! What do you notice about the difference in Autumn to the season it is now?

LOOKING AFTER YOURSELF!

Mr Leach told me that there is research that proves that maintaining a normal, everyday routine of getting showered and dressed daily helps our mental health. Miss Hibbert noticed this during the first lockdown. Make sure that you look after yourself to maintain some sense of normality.

GET CREATIVE!

Have you made your own '[Hearts of Liverpool](#)' heart yet? A few children sent pictures in yesterday of their creations, we were absolutely astounded by their positivity messages. One person asked Miss Hibbert to share theirs for their friends to see to cheer each other up and say hello!

SPELLINGS AND TABLES

Miss Hibbert absolutely loves football and wanted to share a website with you all that is both Squawky and her favourite! Click [here](#) to see what it is! You get to choose your own player, train with your favourite team and you can either play spelling games or Maths games. Adults will love it too!

UP FOR THE CHALLENGE?

It is now February, which is the 2nd month of the year. Can you name all of the months of the year? Do you know what month you were born in? Share a video of yourself doing this. We received a few yesterday and were absolutely astounded by how clever you all are!
