

# FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

## EYES REMOTE EDUCATION ACTIVITIES

### IF YOU CAN DREAM IT, YOU CAN DO IT!

Reception Daily Learning

Thursday 4<sup>th</sup> February 2021

## DAILY LITERACY ACTIVITIES

We have been focusing on the story 'The Three Billy Goats Gruff.' For today's challenge we are going to discuss the characters, setting, problem and solution in the story. Once you have discussed the story we would like you to have a go at drawing and labelling the characters, setting, problem and solution.

Can you show your family at home the action we use in school for the problem?

[Click here for example](#)

**Remember it is very important to use your phonics to help you with your writing. Say the word out loud and write down the sounds you can hear.**

## DAILY MATHS ACTIVITIES

### Matching Pairs!

This week we have been learning all about the numbers 6, 7 and 8. See the PowerPoint below for today's learning challenges.

[Matching pairs PowerPoint](#)

We are looking forward to seeing all your super pair work at home. I am sure you will shout 'MATCH' first and beat your grown ups!

## THE WIDER CURRICULUM

This week we have been learning all about our feelings! For today's challenge we would like you to choose a word which you think best describes you. I can think of lots of words I would use to describe all the children in reception- thoughtful, helpful, brave, unique, strong, caring and kind! Once you have thought of a word to describe yourself we would like you to write a it on a piece of paper and send us a photograph.

Keep a look out on class story to hear Mrs Hardwood's favourite song!

It might give you some ideas of different words you can use to describe yourself!

## LOOKING AFTER YOURSELF!

### Create your own glitter jar

When you are feeling sad, mad or you need a break give this jar a gentle shake. Take deep breaths as you watch the glitter fall, it will help you calm down: brain, body and all. When you need to calm down it's a helpful tool. Use it a few times till you are feeling better and cool!

[Click here to create your own glitter jar.](#)

## GET CREATIVE!

We love singing nursery rhymes together in class! For this weeks creative challenge choose your favourite farm animal and create your own puppet to sing along to our rhyme of the week ☺

## RHYME TIME!

### Rhyme of the Week

[Click here for our rhyme of the week 'Old Mcdonald.'](#)

Have a go at learning the rhyme and performing it to your family members using your puppet.

## UP FOR THE CHALLENGE?

In reception we LOVE to read and tell stories! This week is national story telling week. Your challenge is to read/tell a story in a crazy place e.g. on your trampoline, in your bath tub, under your dining table etc.

**Keep your eyes peeled on class story to see all the strange places your teachers read their stories!**
