DAILY ENGLISH ACTIVITIES

Storm Breaker

Read the following [information](#) on antonyms and synonyms. Answer any questions and take notes where necessary.

Think about chapters 1-8. What do we know so far? Can you briefly summarise and tell a member of your family about the key events?

In preparation for next week's activities, read [chapter 9](#) and answer these [questions](#).

Anyone up for a code breaking [challenge](#)?

DAILY MATHS ACTIVITIES

My Mini Maths

Complete the questions on adding and subtracting fractions on the link above and record in your home learning book.

Today we are going to continue with adding fractions. We will be concentrating on mixed number fractions. Watch the add mixed numbers [video](#) and then try these [questions](#). Confident? Try the [challenge](#). If you need a support video just let me know.

THE WIDER CURRICULUM

Our History topic is Ancient Greece

What did the Greeks believe?

In this lesson, we will explore the religious beliefs of the Ancient Greeks.

Lesson 5

After the lesson , try the quiz and see how much you remember.

Remember to add anything new you have learned to your mind map.

LOOKING AFTER YOURSELF!

Try this simple '[draw your feelings](#)' activity by Place2Be's Art Room team.

You could also try this art [activity](#).

GET CREATIVE!

Thinking about our History topic, 'Ancient Greece' why not try and create your very own Geek vase or Greek column.

Use your imagination! Anything goes! These [pictures](#) might help.

UP FOR THE CHALLENGE?

Try out your mental maths and train your brain.

Brain training

Choose the level you want. Then choose addition, subtraction or ordering and how long the interval time between each question. Record the answers in your home learning book and check the answers at the end. Can you beat your score? Will you choose the next level with less time between each question?
