

# FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

## REMOTE LEARNING ACTIVITIES

IF YOU CAN DREAM IT, YOU CAN DO IT!

**Year Group: 1**

**Date: Friday 5th February 2021**

**Our whole-school theme for this week is: Children's Mental Health**

### DAILY ENGLISH ACTIVITIES

**English:** Do you remember this story [The Way Home](#) enough to be able to complete today's task independently? Today's task is: can you draw a story map of The Way Back Home? Look at [this](#) one for inspiration! Afterwards, it would be exhilarating to see a video of you retelling the story using your story map to prompt you. I couldn't resist asking you all to do this again after the talents we witnessed last time, Grandads DO NOT have to be a stage hand this time!

**Phonics:** Click [here](#) to try today's Phonics activity if you're brave enough!

### DAILY MATHS ACTIVITIES

**Representing numbers to 50**

How are your representing numbers to 50 skills? We all need practise to make perfect!

Click [here](#) to view today's lesson.  
Your task is [here](#).

**Challenge yourself!**

Show off your amazing Maths skills by completing [this](#) challenge!

### THE WIDER CURRICULUM

**Philosophy For Children (P4C)**

To round off Children's Mental Health Week, it's fitting to discuss mental health. Explore with your child just what mental health is. Miss Hibbert approaches this by discussing that physical health involves the body whereas mental health is about how we think and feel. The answers your inspiring children give during our P4C sessions are unbelievable, Miss Hibbert NEVER underestimates the knowledge of a year 1 superhero. Look [here](#) for an introduction to mental health.

### LOOKING AFTER YOURSELF!

**Children's Mental Health Week**

Have you made your own '[Hearts of Liverpool!](#)' heart yet? Have a look at [this](#) video which will give you a new way to express your feelings. Click [here](#) to participate in a mindfulness for children session, it's cosmic! Be sure to send photographs to your teacher!

### GET CREATIVE!

Miss Hibbert is going to dress up today using a home-made costume! She will be posting a video on Class Story later on today. Why not join in with the fun and celebrate your hard work this week by dressing up at home just like Miss Hibbert is? Dare your adults to join in too! Sorry adults!

### SPELLINGS AND TABLES

Login to: [Lexia](#) to help with your spellings, [Mathletics](#), [My Maths](#) and [Times Tables Rock Stars](#) to complete tasks set by your teacher. Maybe also have a go of spelling your Rainbow Words. Be sure to post a photograph in the weekly portfolio section on Class Dojo, showcase your superpowers!

### UP FOR THE CHALLENGE?

Why not video yourself reading your favourite book, adults could get involved in this too! Maybe also video yourself involved in role play of what you're going to be when you're older. **Remember, if you can dream it, you can do it!**
