THE WIDER CURRICULUM

The Power of Storytelling

A cloudy lesson

Watch the video clip above which is a story about a cloud maker and his apprentice grandson who are busy making clouds but everything doesn't happen as it should. As things don't go according to plan, the pair of them learn that good ideas come from happy accidents. Your task is to write some speech for the cloud maker grandad and his grandson e.g. "Come with me up this tall ladder to the sky" said Grandad.
