Pick-Up Arrangements for the Half-Day Finish on Friday 26th March 2021

Dear parents/carers,

Firstly, I would like to thank you all for your support and patience with implementing our new staggered finish times. Despite us all taking some time getting used to the new system, it has had the desired effect - reducing the number of people on site and stemmed the flow of parents entering our premises. I am delighted with how it has worked. On that note, obviously Friday afternoon poses a problem to the usual arrangements as the children only have half a day in school, marking the end of the term. As a result, we have put the following arrangements in place (for this Friday only). The finish time will still be staggered, just earlier that is all. Please take the time to read through this information and understand when it is you need to pick up your child/children. Please be prompt and collect your little ones on time!

Thank you once again, your support this term has been unwavering and given us all such a boost in what has proved to be arguably the hardest term any of us has ever faced in education!

Have a marvellous Easter break. Take care and stay safe.

Mr Leach
Headteacher

Year Group	Pick Up Time and Gate
