Updated Self-Isolation Guidance!

Dear parents/carers,

Firstly, I would like to thank you all for taking my advice on board and testing your child/children. The surge testing approach has identified multiple cases which otherwise would have gone undetected! As a result of this increase in positive cases, I would like to take this opportunity to clarify the changes to self-isolation. **It is vital that you do not send your child back into school if they are still infectious!**

Please see the image below, which explains the changes to how long positive cases have to isolate for and how the 'earlier release' system after five full days works! This will explain it far better than I ever could...

Please click the following link for further advice and guidance: www.gov.uk/government/stay-at-home-guidance. Thank you for your support. If you have any questions or concerns, please do not hesitate to contact a member of our team. Take care and stay safe.
