Friday 27th May 2022

Dear parents/carers,

We are extremely proud to be celebrating **Queen Elizabeth II's Platinum Jubilee** in school this year and have planned exciting activities for the children to engage with throughout the day.

Our Jubilee Garden Party will take place in school on Tuesday 7th June. All our pupils will come together on the yard to celebrate as a community. The children will enjoy a regal garden party with food and music. We would really appreciate it if you could contribute a party food item, to help make the event extra special. Your child will bring home a letter tonight, illustrating which party food item to bring in. **For Year 6 parents only!** If your child is on the Year 6 residential, further information about food items for the party will be posted on our Dojo platform.

Please do not feel obliged to contribute, there is no expectation to do so. If you can contribute, please make sure that the items are shop bought and pre-packed. Unfortunately, we cannot accept homemade items.

On this special day, children are invited into school wearing either formal clothes fit for a king or queen or a mixture of red, blue and white.

Throughout the week, children will be engaging in a variety of relevant activities including royal art workshops and learning all about the fashion, music and icons during one of the seven decades of the Queen's reign.

In addition to the planned school activities, we have arranged two amazing competitions for all children to join in with at home and they are invited to bring their creations into school to be judged by Flo Melly's very own 'Queen'. Full details of these activities can be found on our Class Dojo platform

Many thanks for your continued support.

Have a relaxing half-term break.

Mr Leach
Headteacher

IF YOU CAN DREAM IT, YOU CAN DO IT!
