## GEOGRAPHY VOCABULARY PROGRESSION MAP

IF YOU CAN DREAM IT, YOU CAN DO IT!

### Geography Vocabulary Progression Map

Geography Vocabulary Progression Map					
Year 1	Topic	Continents, oceans, countries and capital cities of UK and seas	Hot and cold locations	Local area map work skills	Revisit continents, oceans, UK countries, capital cities and sea
	Words children should already know	world, different, map, colour and blue	cloud, mountain, sea, extreme and huge	indoors, outdoors and map	world, different, map, colour and blue
	Tier 2 Vocabulary	vast, azure, rotated and expanse	location, moist, misty, scorched, freezing and tropical	built, human, imaginary, natural, place and space.	vast, azure, rotated and expanse
	Tier 3 Vocabulary	ocean, continent, polar and atlas	continent, ocean, polar, equator, temperature and compass	aerial, connected, environment, feature, fieldwork and location	ocean, continent, polar and atlas
Year 2	Topic	Study human and physical geography in the local area	Comparison of a non-European location with small area of UK (London and Nairobi)	Local area map work skills and introduction to scale	Compare an alternative non-European locality (Yanomami - village in a rainforest)
	Words children should already know	map, compass, location and vast	centimetre, kilometre and thermometer	multiple, centimetre, kilometre and thermometer	compare, continent, different, physical and tropical
	Tier 2 Vocabulary	contrast, record, surrounding, natural, shelter and observe	urban, sprawling, contrast, horizon and striking	increase, decrease, align, symbol, observe and sketch	remote, rainforest, isolated, thrive, belief and disease
	Tier 3 Vocabulary	fieldwork, settlement, coastal, worship, location and rural	landmark, country, capital, climate, feature and savanna	aerial, scale, cardinal point, valley, port and vegetation	indigenous, equator, ecosystem, deforestation, sustainability and tribe
Year 3	Topic	Local area study	UK study	Revisit countries, counties and regions of the United Kingdom	OS maps and scale
	Words children should already know	aerial, scale, valley, port, vegetation, cardinal point	measure, centimetre, kilometre, forward, backward, downward, eastward local, locality and location	measure, centimetre, kilometre, forward, backward, downward, eastward local, locality and location	compass, features, location, physical, region, symbol
	Tier 2 Vocabulary	bisect, precise, accurate, approximately, relation and align	extensive, sophisticated, settlement, terrain, wilderness and barren	extensive, sophisticated, settlement, terrain, wilderness and barren	area, cardinal, historical, landscape, measuring and solar
	Tier 3 Vocabulary	cardinal point, bearing, settlement, recreation, harbour and deciduous	topography, landmarks, region, county, scale and contour line	topography, landmarks, region, county, scale and contour line	geographical, key, ordnance, scale, survey and sustainable

## GEOGRAPHY VOCABULARY PROGRESSION MAP

IF YOU CAN DREAM IT, YOU CAN DO IT!

### Geography Vocabulary Progression Map

	Topic	Rivers	Latitude and longitude	Water cycle	Revisit rivers	Map skills - environmental regions of Europe, Russia, North and South America
Year 4	<b>Words children should already know</b>	centimetre, kilometre local, locality, location, descend, sediment and aqueduct	anticlockwise, thermometer, clockwise, hemisphere and parallel	centimetre, millimetre, millilitre transport, transfer, measure and aqueduct	centimetre, kilometre local, locality, location, descend, sediment and aqueduct	equator, latitude, longitude, location, physical, polar, regions, temperate and tropical
	<b>Tier 2 Vocabulary</b>	raging, tumble, cascading, precipice, iconic and turbulent	coordinate, parallel, determine, circumnavigate, constitutes and straddle	infiltrate, sequence, reoccurring, pollution, consequence and permeate	raging, tumble, cascading, precipice, iconic and turbulent	arid, bountiful, locality, major, rapid and vibrant
	<b>Tier 3 Vocabulary</b>	rivulet, estuary, flood plain, tributary, confluence and hannel	latitude, longitude, horizontal, vertical, meridian and equator	groundwater, precipitation, condensation, transpiration, percolation and evaporate	rivulet, estuary, flood plain, tributary, confluence and hannel	biome, climate, environmental, equatorial, Mediterranean and tropic
	Topic	World cities, biomes and environmental regions	Four and Six Figure Grid References	Revisit world cities, biomes and environmental regions	Ordnance Survey (OS) map skills and fieldwork	
Year 5	<b>Words children should already know</b>	centimetre, kilometre, thermometer hemisphere, local, locality, location, latitude, lateral, parallel and parameter	centimetre, kilometre, thermometer, hemisphere, latitude, lateral, parallel and parameter	centimetre, kilometre, thermometer hemisphere, local, locality, location, latitude, lateral, parallel and parameter	compass, features, location, physical, region, symbol, ordnance survey, key, scale, grid references and sustainable	
	<b>Tier 2 Vocabulary</b>	arid, fertile, densely, exceptional, craggy and scenery	parallel, horizontal, reference, degrees, co-ordinates and intersect	arid, fertile, densely, exceptional, craggy and scenery	contrast, intersect, slope, solar farm, turbine and undulating	
	<b>Tier 3 Vocabulary</b>	continent, latitudes, longitude, equator, hemisphere and biome	latitude, longitude, meridian, hemisphere, northings and eastings	continent, latitudes, longitude, equator, hemisphere and biome	coordinates, contour line, eastings, northings, plateau and terrain	
	Topic	Physical processes - Earthquakes, mountains and volcanoes	Human and physical geography: economic, settlement and trade links	Comparison study of North America, Europe and UK	Orienteering: map and fieldwork skills	
Year 6	<b>Words children should already know</b>	earthquake, volcano, collide, explosive, towering, lava and origin	physical, human (features), terrain, settlement, population and inhabitants	local, locality, location, centimetre, kilometre, thermometer, latitude, lateral, longitude, sediment, region, biome and terrain	compass, contour, co-ordinates, eastings, features, human, intersect, location, Ordnance Survey, northings, physical and reference	
	<b>Tier 2 Vocabulary</b>	viscous, churning, buckle, disaster, devastation and magnitude	location, resource, distribute, employ, reproduction and consumption	equivalent, contrast, erosion, inhospitable, moderately and prosper	aerial, appreciate, coniferous, distinctive, participant and randomised	
	<b>Tier 3 Vocabulary</b>	epicentre, fissure, dormant, magma, moten and mantle	trade, economy, navigable, lowland, migrant and refugee	orogeny, glaciation, temperate, tectonic, summit and altitude	checkpoint, control, legend, navigate, orientate and orienteering
