

## TEAMING UP WITH @SCOUSEFLOWERS

Appreciating our local community and what we have was the aim of the day on Thursday, as some of our children teamed up with [@scouseflowers](#) to create a wildflower area on the field at Abingdon Road. Working with Scouse Flowerhouse, an initiative funded by Liverpool City Council and delivered by National Wildflower Centre. The children thoroughly enjoyed sowing plenty of seeds on the field (with the help of a tractor of course) and we are already looking forward to seeing the flowers in full bloom in the near future.

### STEM Workshops for Pupils in Year 2

What an amazing time Year 2 had earlier this week as they were involved in a fantastic STEM workshop. The children were introduced to a Sphero Indi - robots that are used to introduce early learners to computational thinking and computer science principles! A big thank you to Mr Mullin for arranging such a wonderful, memorable learning experience!

### Wellbeing Wednesday Mental Health Boosting Walk

This week's wellbeing Wednesday walk took pupils to Sefton Park and Mr Doyle and Mrs O'Keefe whisked pupils off for an afternoon away to help boost their mental health and wellbeing. These enrichment trips provide the opportunity for our pupils to stop and reflect. The children thoroughly enjoyed spending the afternoon chatting and being out in nature. At Flo Melly, we are committed to promoting positive mental health and wellbeing of all stakeholders. Check back next week, as we celebrate Mental Health Awareness Week.

### This Week's Book Recommendation...

This week's book recommendation is [The Final Year by Matt Goodfellow](#). A perfect read for our Year 6 pupils. Life can be tough in your last year of primary school. Tests to take, preparing for the change to high school. Nate is ready for it all, knowing his best friend PS is at his side - they've been inseparable since nursery. But when they are put in two different classes and PS finds a new friend in Turner, the school bully, Nate's world turns upside-down. As he struggles to make sense of this and forge new friendships, he's dealt another blow when his youngest brother, Dylan is rushed into hospital. His new teacher, Mr Joshua, sees a spark inside of Nate that's lit by his love of reading and writing and shows him how to use this to process what's going on. But with so much working against him, and anger rising inside him, will this be enough? A powerful and lyrical story about finding your place in the world and the people that matter within it.

**100% ATTENDEES...**

This week: 386 pupils

Year to date: 35 pupils

## End of the Week Update for Parents/Carers - Friday 10th May 2024

### Bridge Community Centre - May Half-Term Club

As the half-term holiday fast approaches, the Bridge Community Centre on Daneville Road in L4 have reached out to us to speak to parents/carers and let them know that they are hosting children's May half term club. Please see Class Dojo for further details or contact their admin on 0151 792-8711.

### Thank you! Everyday (and every minute) Counts at Flo Melly!

A big thank you to those parents/carer who have made an extra effort to get their child/children into school promptly, following our 'attendance update' last week. For those of you who missed it, here it is again...

All pupil absences are to be reported to the school office, either by phone call or in person, when arriving with any siblings of a pupil unable to attend school. Please do not message staff via Dojo to report your child's absence.

Our school gates will be closing at 9:00am and after this time, there will be no access into the school or classrooms, other than via the school office. After 9.10am, your child will be marked as late unless formally agreed with a member of our Senior Leadership Team beforehand. We want the children to be in school, on time, every single day. Lateness adds up - minutes turn into hours and days across an academic year. We want our children to be on time, ready to learn and access the amazing lessons, enrichment activities and memorable learning experiences on offer at our school; they start at 9:00am - every day!

### Year group Curriculum Maps

If you missed them on Class Dojo, please find attached, links to our year group specific curriculum maps. These provide an overview of what your child will be learning about this half-term. If you require any further information, please see your child's class teacher or Miss Bear, our Curriculum Lead.
