WEEKLY ATTENDANCE NEWSLETTER

IF YOU CAN DREAM IT, YOU CAN DO IT!

IN SCHOOL, ON TIME, EVERY DAY!

This week's key attendance message...

Regular school attendance plays a vital role in helping children thrive. Being present each day allows students to fully engage in lessons, follow learning sequences, and build understanding step by step. When children miss school frequently, they can lose important learning time and may find it challenging to re-engage with classroom activities. Attending school consistently also supports social growth and emotional confidence. Daily interaction with teachers and classmates helps children develop friendships, communication skills and a strong sense of belonging. A big WELL DONE to all of the children who have attended well this half term so far – your commitment makes a real difference! While we understand that absences are sometimes unavoidable due to illness or family circumstances, attending school whenever possible helps children stay connected, motivated and ready to succeed, especially as we head into the final week before half term.
